

Website User Manual

1) Registration of the caregiver

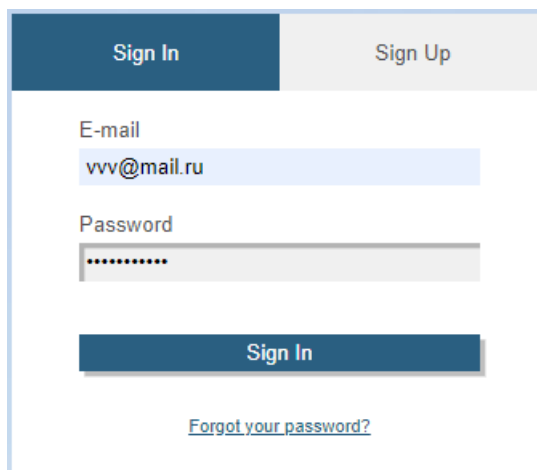

If you don't have an account in the system, you need to fill in the fields and click on "Sign up":

The registration form is displayed within a container. At the top, there are two tabs: "Sign In" (light gray) and "Sign Up" (dark blue, active). Below the tabs, there are two input fields: "E-mail" with the value "vvv@mail.ru" and "Password" with masked characters ".....". At the bottom of the form is a dark blue button labeled "Sign up".

2) Authorization on the site

If you have an account in the system, you need to fill in the fields and click on "Sign in":

The authorization form is displayed within a container. At the top, there are two tabs: "Sign In" (dark blue, active) and "Sign Up" (light gray). Below the tabs, there are two input fields: "E-mail" with the value "vvv@mail.ru" and "Password" with masked characters ".....". At the bottom of the form is a dark blue button labeled "Sign In". Below the button is a link labeled "Forgot your password?".

3) After registration or authorization you will be transferred to your personal account

Applications

MoneyGame

AIT

Third

You can change his data or delete his profile

Also you can choose some application in the system and start to configure some application for this student. After that you will come to another page for further action

Applications

MoneyGame

Configure the interface

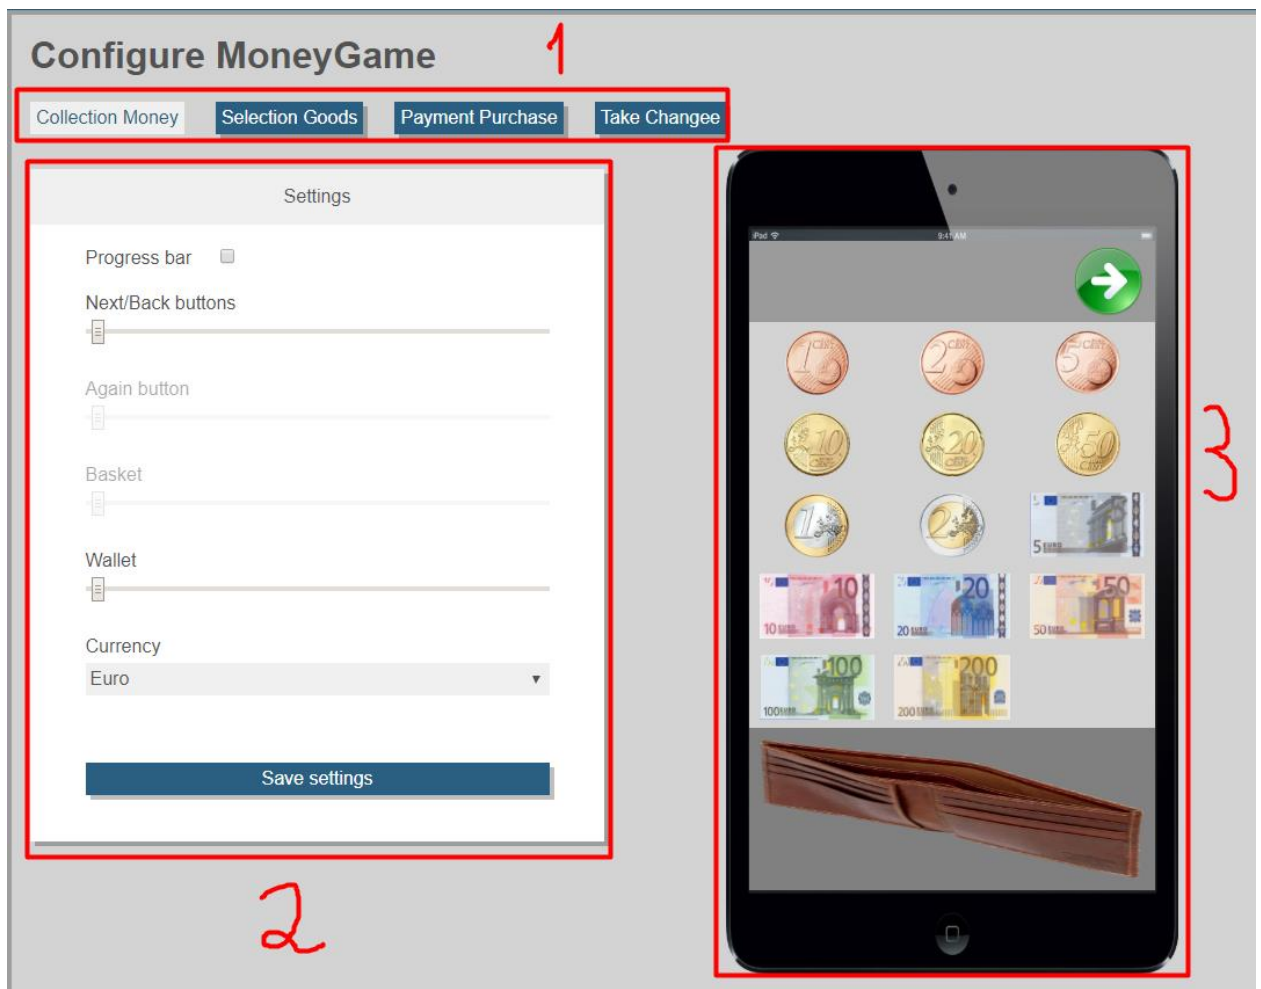

AIT

Third

Example configuration of the interface for MoneyGame

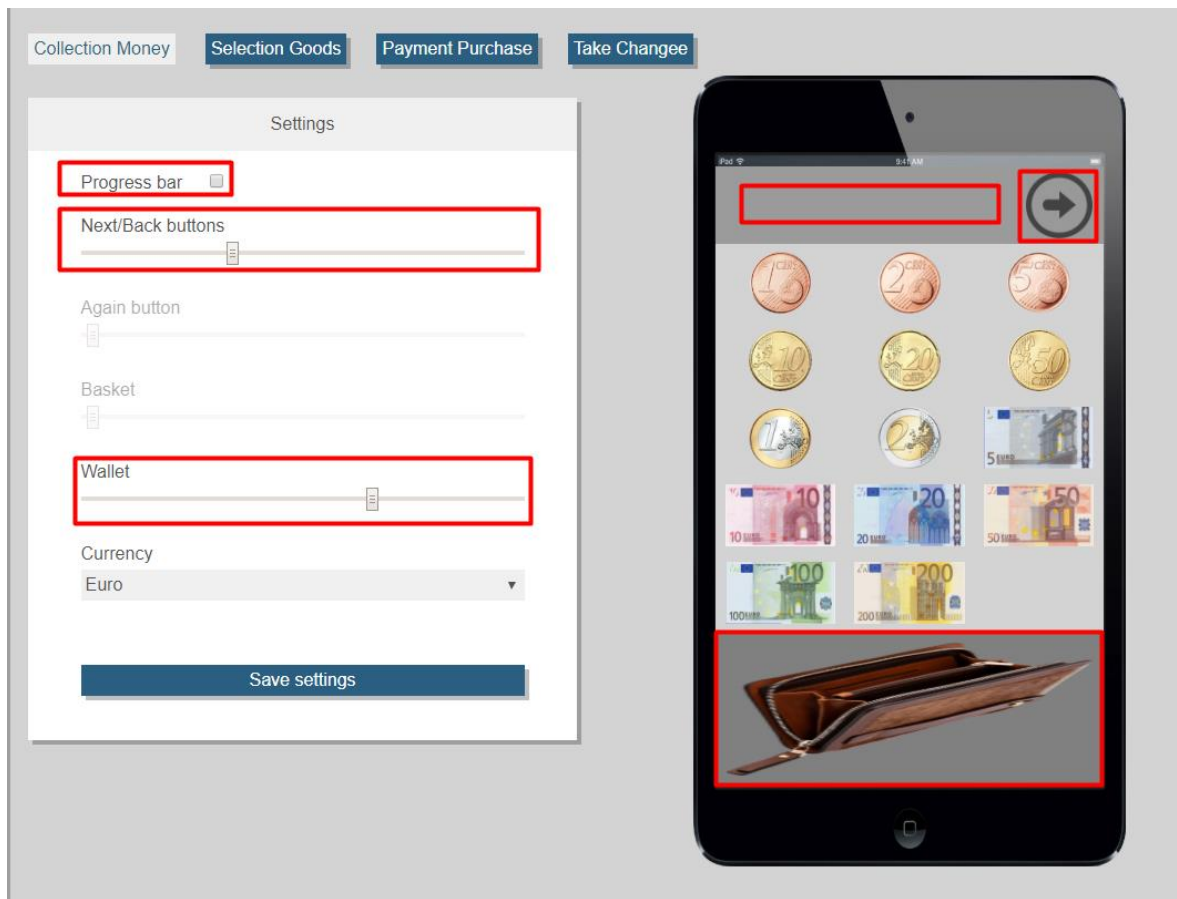

The interface for MoneyGame includes 3 blocks:

1. Page of Android Application;
2. Block for configuration;
3. Visual similar interface for the android application (here you can see all the changes in the interface);

Example configuration on page “Collection Money”

1. The “Progress bar” turned off (it disappeared on the interface);
2. Changed “Next/Back buttons” (it changed on the interface);
3. Changed “Wallet” (it changed on the interface);
4. Clicked on “Save settings”;

If you want transfer to your your personal account, you need click on “Profile” in the top menu

If you want logout, you need click on “Logout” in the top menu
